

## **Medical Emergency Policy**

I am acknowledging that I understand all liability/medical waivers and policies for my dancer at this studio. In addition, I grant permission to the staff of Lombardi Dance Academy to take first aid or emergency measures as judged necessary for the care and protection of my child while under the supervision of the studio while in or outside of the studio premises. We have a first aid box at the studio for minor occurrences. I consent to allow my child the use of these items (ice packs, neosporin, bandages, etc..)

In case of a medical emergency, I understand that my child will be transported to an appropriate medical facility by the local emergency unit for treatment if the emergency unit deems it necessary. I understand that in some medical situations the staff will need to contact the emergency resource before the child's parent, physician, and or other person acting on the parent's behalf. I understand the studio will contact the first phone number listed on the account (the call/text number) and then will follow the list of contacts in order until someone has been reached. I also understand and agree that the child's parents or legal guardians shall be responsible for any expenses incurred. I understand that this form is different from and in addition to the risk and liability release waiver for the studio.
